

START FUELING GOOD TODAY

A VALUABLE EMPLOYEE BENEFIT FOR
YOUR EMPLOYEES AND THEIR FAMILIES

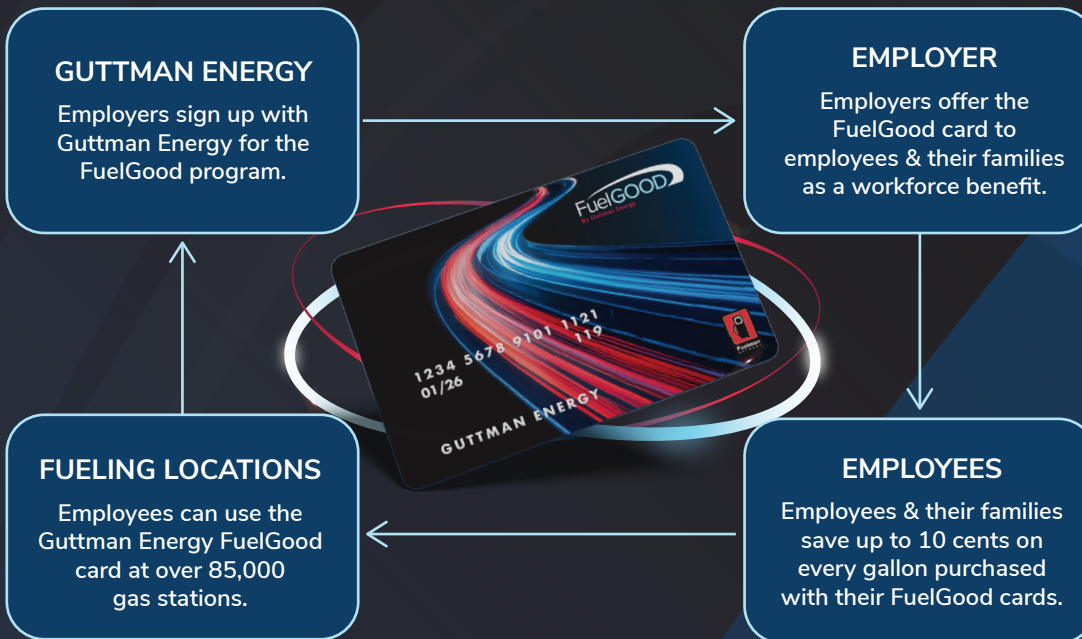

Save on everyday fuel purchases with a simple, flexible program designed to make commuting and travel more affordable.

PROGRAM FEATURES & BENEFITS

-  FuelGood is opt-in for all employees
-  Your employees and their families can use up to four cards
-  Valuable per-gallon savings
-  Use the FuelGood card for snacks, beverages, and other in-store purchases
-  Hassle-free billing & enrollment
-  Weekly statements emailed to your employees for easy tracking
-  Secure fraud protection
-  Locate participating stations using the Driven app, available for iPhone & Android

SIMPLE. SECURE. CONVENIENT.

HOW THE FUELGOOD PROGRAM WORKS

TWO SIMPLE PAYMENT OPTIONS

CONVENIENT CREDIT CARD BILLING

Employees and their families may link their FuelGood cards to a personal credit card, with purchases billed and paid like any other transaction. This option allows cardholders to save up to 5 cents on every gallon of fuel purchased.

LOW-TOUCH PAYROLL PAYMENTS

Employees can enroll in payroll deduction payments and save up to 10 cents on every gallon of fuel purchased. This low-touch option automatically deducts fuel purchases directly from payroll as a streamlined process.

Guttman Energy sends cards directly to employees and manages all transactions on behalf of participating companies.

Employees pay Guttman Energy through one of two options: a standard credit card payment or direct payroll deduction as a low-touch alternative.

EVERYDAY SAVINGS START HERE

ACCEPTED AT OVER 85,000 GAS STATIONS

HOW TO USE THE FUELGOOD CARD AT THE PUMP

1. If you have a fueling location loyalty card, you may scan it to earn points; however, loyalty rewards cannot be redeemed in the same transaction when using your FuelGood card.
2. Enter your PIN/Driver ID and provide an odometer reading (any approximate number is acceptable).
3. If your card is declined, confirm your PIN is correct and use the Driven app to confirm that your card is accepted at that station.
4. Select your fuel grade and fill-up as usual.
5. The FuelGood card may also be used inside the station store for convenience purchases, such as beverages and snacks.

* Accepted at participating branded locations.
